Publisher:

Blackrose Industries

Release Date: 12 Aug, 2016

b4d347fde0

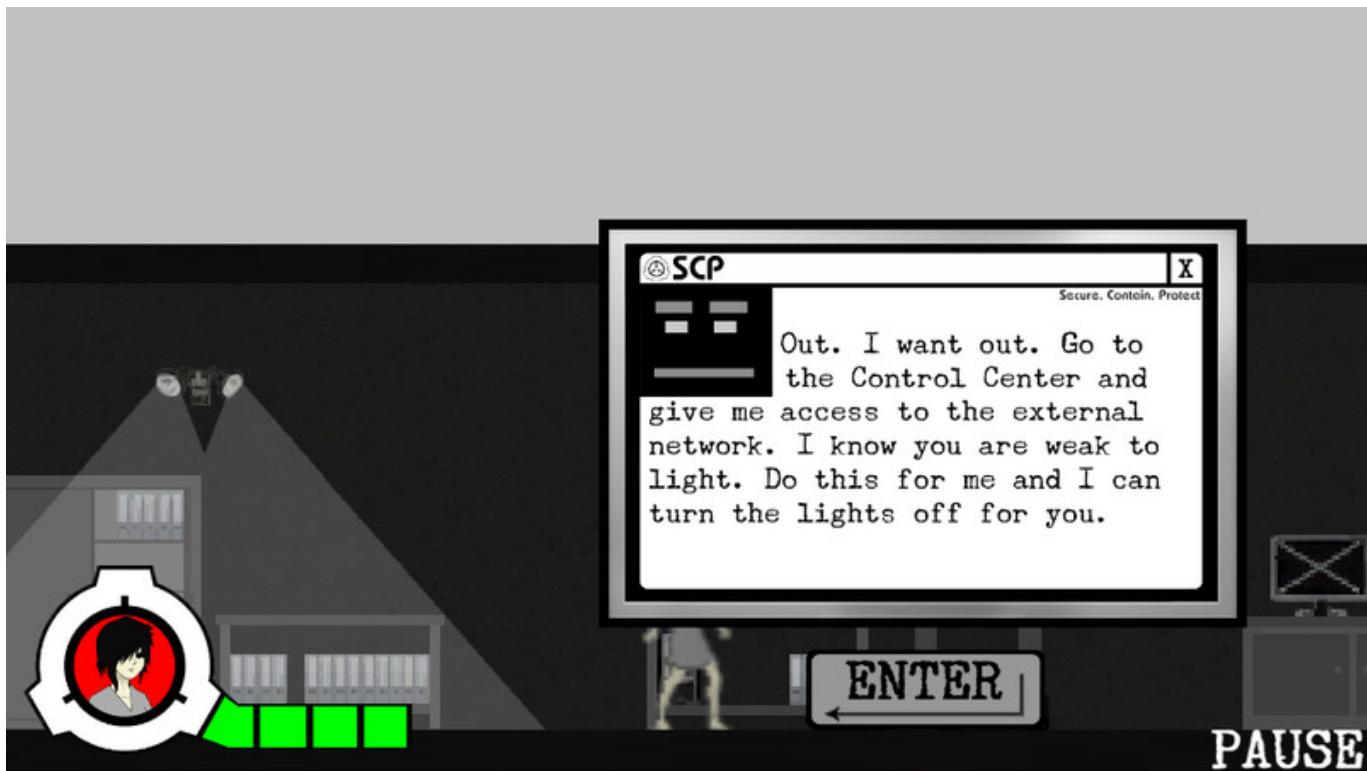

**Minimum:**

**OS:** Windows Vista

**Processor:** Intel Core 2 Duo

English

---

This DLC adds a couple of well known SCPs to the game, and also increases the difficulty by a lot by spawning a new group of enemies (a mobile task force) that will spawn in the base after some time.

If you liked the original game, this is a nice addon with some more randomization to the base, and the added difficulty adds some extra challenge.

If you don't like the game, this DLC won't change that.
